**Subject:** EPA Comments on Phase III  
EPA Comments on AVX Phase III - August 2016 - v2.doc

Here are EPA comments on the Phase III minus Kim T's TSCA comments. There is also a lot of correspondence between EPA and DEP regarding the IRA submittals and the work itself. Please let me know if you would like to see any of these documents.

If you would rather be briefed, without going through these documents, I would be happy to do that.

Elaine
